global genocide. a masonic ploy. the livestock will get it. survivors will have to be vegan.

they will create a sort of utopic vegan world on the surface..to tether out into deep space to see where it goes..just like they do with the christian church they control..

..all the while, still pulling all the strings, they will advance their satanism to further heights.

it has begun.

>Incels need to stop

^^^^^^This is why they are going to die
they put all their love nad trust in China
and now all they can do is call
anyone that was skeptical
an incel or a conspiracy theorist

oh thanks god we solved your political crisis now go die for not listening when you should have a couple decades ago
